FOR MYSORE STATE

Home Department.

Memorandum No. 22729/Tr.I/52-2 dated 9/4/1953.

Motor Vehicles - Stage Carriages - Overloading - prevention - suspension or cancellation of conductor's license.

From the Secretary Central Road Traffic Board, No. 3845/Mi/53 dated 13/3/1953
From the Inspector General of Police, No.240/Accts/53/ dated 19/3/1953.

The Government have noticed from the revision petitions under section 64.A. of the Motor Vehicle Act preferred to them against orders of suspension or cancellation of permits that the operators generally raise the plea that their buses were overloaded by the conductors without their knowledge and the excess Collections so received were taken by the Conductors themselves. Though these arguments may not be correct in the majority of the cases of overloading there may be some cases where the overloading is done without the knowledge of the owner and the money so collected is pocketed by the Conductors. With a view to prevent this Malpractice and to prevent the conductors from overloading the buses even if the owners want them to do so, it is considered that action should be taken to suspend or cancel the conductors license in addition to suspending or cancelling the permit. The Inspector General of Police and the Secretary, Central Road Traffic Board are therefore requested to instruct the licensing authorities to take appropriate departmental action against the conductors in cases of overloading whenever the licensing authorities consider it necessary independent of the action against the permit holder.

V. Hanumanta Rao,
JOINT SECRETARY TO GOVERNMENT.

To
The Inspector General of Police, Madras
The Secretary, Central Road Traffic Board, Madras-8.
Copy to Transport II
Copy to Andhra State and Mysore State.
